Diabetes Education Program for School and Daycare Personnel

This conference will provide diabetes education to all who are in contact with children with diabetes in the school or daycare setting. At Children's Hospital of Illinois, we feel it is important for all children with diabetes to receive safe, competent care while in the school or daycare setting. Some topics to be covered include:

- Blood glucose monitoring
- Insulin pump therapy
- Hypoglycemia
- Hyperglycemia
- Care of Students with Diabetes Act

Registration Fee: \$20
