COMMUNITY NIGHT

The First Signs of Abuse: Minor Trauma, Major Concern

featuring
Jonathan Thackeray, MD

The first signs of abuse are often so minor they are easily missed. Join Dr. Thackeray as he reviews common “sentinel injuries” and provides strategies to the community in identifying and responding to them with the goal of preventing recurrent injuries to children.

Dr. Thackeray is a child abuse pediatrician and is the Chief Medical Community Health Officer at Dayton Children’s Hospital and Vice-Chair of Pediatrics at the Wright State University Boonshoft School of Medicine.
