

**T**he story of OSF Saint Francis Medical Center began in 1876, when six pioneering women of what was to become The Sisters of the Third Order of St. Francis arrived in Peoria.

Today, OSF Saint Francis is one of the largest Catholic hospitals in the United States with 616 licensed beds. More than 6,000 employees and more than 900 physicians compose the staff of the medical center.

OSF Saint Francis is a leading institution in providing educational programs for physicians, nurses and allied health professionals. OSF Saint Francis is an independent academic medical center affiliated with the University of Illinois College of Medicine at Peoria and other schools throughout the state, providing facilities for students to receive clinical experience in their chosen fields.
